

February 2024

What's Happening With Us!

February always seems to feel like the longest month of the year, though it's really the shortest month (maybe you can relate). Despite the 'long' month, we can proudly say that our work contributed to the Grundy Livingston Kankakee Workforce Board successfully meeting or exceeding the WIOA performance assessment for last program year (2022). Performance indicators measure employment, median earnings, and credential attainment for individuals we serve using WIOA funds. It also takes into account other factors, such as an individual's barriers to self-sufficient employment. We are proud to serve Livingston County!

If you or someone you know needs assistance, have them call us 309-268-8280. We're available Monday through Thursday, 8am to 5pm, and Friday by appointment.
